

Hertz powered by OAIS

OAIS has been selected to provide a reciprocal, comprehensive Customer Referral Program (CRP) in India for Hertz customers.

Under the Customer Referral Program, OAIS will deliver a seamless, world-class service to Hertz customers, including the provision of wide range of vehicles for short term leisure and business rental in India, and a dedicated 24/7 reservations center for both international and domestic bookings. OAIS customers would also have access to the Hertz global services under this program.

OAIS and Hertz launched the CRP on August 12, 2010 at Hotel Trident, BKC, Mumbai.
