

OAIS wins the OMAC Global Awards for 'Perfection, Quality and Ideal Performance' and 'Top Quality Customer Satisfaction'

Otherways Management Association Club (OMAC) is founded as a part of OIRC (Otherways International Research and Consultants) and Association Otherways Management and Consulting - France (AOMC) to reward excellence in the field of manufacturing and Services sector. OMAC aims to focus on Quality Management, Durable Development, and Management by Objectives and by Projects, Advices and Control, Planning, Marketing, Information Systems & Staff Management

The Award is given for achievement in Quality Commitment & Excellence. Trophy, especially designed symbolizing an emblem of True, Purified aspect of Quality and a concrete testimony of high Competence

The trophy for Global Award for Perfection, Quality & Ideal Performance

The Accreditation for Global Award for Perfection, Quality & Ideal Performance

ORIX Auto Infrastructure Services is the proud achiever of these twin awards. It has come a long way since its restructuring in 2006 with several new initiatives on the Customer Focus, Quality and corporate governance

The GLOBAL AWARD FOR PERFECTION, QUALITY & IDEAL PERFORMANCE is presented to each Company as entity, for corporate achievement, to recognize Innovation, Quality, Excellency & Perfection The Otherways International Award-Acknowledgment program focuses on the micro economic levels of small and medium enterprises who are delivering consistent high quality standards, on one hand and a sustainable "Trust Factor" on the other, leading to an unyielding modernized scope of recognition in the world market macro environmental sphere

The Accreditation for High Quality Performance & Best Customer Satisfaction

The Managing Director & CEO Neeraj Kumar & Business Head- Car Rentals Pankaj Jain receiving the trophy from Charbel Tabet President & CEO of Association Otherways Management & Consulting

The selection Criteria is based on information, polls and voting reports carried out periodically through the Association Otherways Management & Consulting in Paris and other Consulting firms in Europe. For this purpose, a voting process is carried out by mail, Internet based on Business Results, ISO 9002 - 14001, TQM and TQCS (Top Quality Customer Satisfaction Standards). Media reports (press, radio and television), consultancy companies, Advertising Agencies, Trade Fairs and Exhibits, Chamber of Commerce, Embassies, Polls, including the Online Macro Poll

OAIS is focused on providing Total Urban Road Transport Solutions. While the recognition of OAIS is the true reflection of its market leadership in Quality in this space, it also vindicates our philosophy of being aligned with customer requirements always, and provide cost efficient, innovative yet value driven solutions which has consistently been the hallmark of OAIS as a key differentiator in the market place
